

TRAINER'S PROFILE

AZIDZUL DZAILRULHAFIQ BIN DZULKHARNAIN

Started his career in the Banking Industry, building his way to more than 1 decade of experience in this field from managing administration, operation, office management and support operation industry to fast-tracking in Leadership and Team Building programmes more than 7 years. He has aided a vast number of employees ranging in industries from Insurance, Manufacturing, IT and students under PIAM (Persatuan Insuran Am Malaysia) to build and spark their inspiration to enhance their work life and self-strength goals.

Aside from his hustle and bustle, he loves to volunteer by contributing back to the community such as delivering talks as a Motivational Speaker at OpenMic act and Berani Bersama as part of fund-raising program, involvement in the Climbing Charity Program for orphans with collaboration from TAC TEAM Consultancy PL T, and he was also invited to speak about Presentation Skills for Wholistic Family Association. He enjoys coaching and was actively involved with conducting motivation programmes like Climbing Basic Training at Climbing Gym Putrajaya Park Challenge or Camp5 and Team Building Training for Awantona Production, The Photography Company.

He was mentored by Dr. Lee Zen from Equonxo Experience Sdn Bhd; the only training service provider that coached the World Bank and all other financial institution worldwide. He aims to continuously pushing his boundaries to become a Self-Breakthrough Coach that can help the community to be who they want to be and achieve what they want to get. His motto is "**Keep on Breaking Through**" resonance with encouraging people who wants to excel and improve their knowledge and skills with Self-Breakthrough. He believes with the right push, everyone can be exactly who they want to be.
