

Biography

刘栋蓓_ LIJUN ART GALLERY

LiJun Art Gallery

刘栋蓓_LiJun Art Gallery was founded in the Year 2021 by a heart filled with passion for Art for more than 25 years.

The name of the company 栋- Happiness, reflects the mission to infuse society with joy through art education and crafting personalized portraits that exude individual happiness and love.

My journey has been one of continuous exploration, leading me to develop an authentic artistic style cultivated over time. By harmoniously blending different materials and drawing techniques—watercolors and acrylics—this fusion of mediums breathes vibrant life into the painting.
