

# MICHAEL QUINN

TEFL Certified Teacher

## ABOUT ME

Hi there, I'm Michael. A certified Teacher that has years of hands-on experience working with kids. Worked for and with multiple Non-Profit Organizations to help Tutor and Educate alongside many other responsibilities and experiences.

I started working with kids in what was supposed to be a 'Gap-year', but that ended up becoming semi-full time thing. I'd love to pursue my dream of becoming a Child Psychologist, But for now teaching English is the closest thing to that. Call it an educational stepping-stone.
