## **1. About me**

Tan Poh Kiang is a distinguished professional with extensive experience in finance, education, community service, and entrepreneurship. With a solid foundation in corporate accounting and auditing, she is a Member of the Malaysian Institute of Accountants (MIA) and has effectively streamlined operations, enhancing efficiency and regulatory compliance. As an entrepreneur in the education sector for 14 years, she successfully built a business from scratch, demonstrating invaluable insights into organizational growth and sustainability.

Poh Kiang's expertise extends to delivering financial literacy training for non-finance executives and leaders, simplifying complex financial concepts into understandable business language. She specializes in Leadership, Conflict Resolution, Entrepreneurship, Coaching, Presentation, and Communication, leveraging engaging theatre games and activities as educational tools. Her multifaceted career reflects exceptional capabilities and dedication, making her an influential trainer and coach in her field.
