Certified HRDF Trainer specializing in accounting, finance & taxation implications

“Keep evolving, keep thinking, keep pushing yourself. Stay on top of it.”

Rex.k, a certified HRDF Trainer recognized for his continuous efforts and adult learning tactics in providing training that can be directly implemented to improve quality of work. He has more than 10 years of accounts and finance experience, from operation, advisory and training, beginning at the bottom of the ladder. The experience is the corner stone for building relevant and effective training modules that are relevant for both front liners and leadership positions. He relentlessly adds value and impact to the trainings provided.
